

AMENDMENTS TO THE SPECIFICATION

On page 1, please insert, after the title and before paragraph [0001], the following paragraph:

[0000] This application claims priority to PCT Application No. PCT/EP2003/008173 filed July 24, 2003, which claims the benefit of German Application No. 102 17 773.4 filed November 18, 2002.

Please amend paragraph [0007] to read as follows:

[0007] This object is achieved with a casing ~~with the features of claim 1:~~ for receiving an electrical device, particularly a switching device or sensor, having at least one indicating apparatus for indicating different electrical states, particularly switching states, of the device, characterized in that each indicating apparatus has a plurality of indicating devices and that the indicating devices of an indicating apparatus are positioned facing one another on the casing in such a way that from each viewing direction at least one indicating device of each indicating apparatus is visible.
